Assessment fee

All Group 1, 2, and 3 applicants must pay an assessment fee. This fee covers the cost of assessing your application.

If you are applying for registration with NMBI for the first time, then you need to pay an assessment fee of €350. Your assessment fee will cover the cost of applying for multiple divisions of the Register, provided that you include all divisions on your application request form.

If you are already registered with NMBI, and you are applying to register an extra qualification that you obtained outside of Ireland, then you need to pay an assessment fee of €200.

Registration fee (not payable at this time)

After we have assessed your application, we will issue you with a decision letter to let you know the outcome of your application. If you are eligible to join the Register, then you will need to pay a registration fee:

- €145, if this is your first time registering with NMBI
- €80, if you are already registered with NMBI
